Parental Involvement Policy

Topsham House Day Nursery understands the importance of parental involvement.

Topsham House respects all parental views and requirements and will work with the parents to ensure that the best care is provided for the children.

Parents are able to inspect all Topsham House policies at any time.

Parents are welcomed into the nursery and play an important role in helping their child to settle into a new environment. Parents are actively encouraged to participate in preliminary visits before the child starts at nursery.

Topsham House encourages parents to be actively involved via newsletters, diaries, parent questionnaires and extracurricular activities such as reading books and flash cards.

Parents are invited into nursery for Parent/Open evenings twice a year. During this time their child's development is discussed and any relevant issues dealt with. Parents are also invited to attend many of our Christmas activities.

Topsham House supports local charities through social events and fund-raising. All parents are actively invited to join us in this.

Parent are encouraged to contribute to their child's Eylog.

Please Note

The policies of Topsham House are under continual review in the light of team discussions and its effectiveness. Policies may be amended at any date and any revisions are handed to staff accordingly.

The annual review takes place in June. This policy was updated November 2014 PH
